Retail Design Review: "Breathing New Life into Retail"

ALISON EMBREY MEDINA
Executive Editor, *DDI Magazine*
Guest Speaker

From the sidewalks of Fifth Avenue to the malls of suburbia, designers have pushed creativity and innovation to new heights, as budgets and resources have hit new lows. Join Alison Embrey Medina as she takes attendees on a visual tour of creativity, highlighting some of the standout stores, windows and merchandising techniques that are changing the design approach and breathing new life into retail.
